

# SEASIDE CHRISTIAN ACADEMY

## FOUNDATIONAL PRINCIPLES

**FOUNDATIONAL SCRIPTURE:** *Train a child in the way he should go, and when he is old he will not turn from it. (Proverbs 22:6)*

### **VISION**

That a child should come to know Jesus Christ in his or her youth, obey His Word, with the ability to function competently as a Christian in a world of competing ideas.

### **MISSION STATEMENT**

To equip children with a biblical and intellectual foundation by providing quality academic instruction based upon "The Scriptures."

### **CORE VALUES**

#### **Christ-centered**

SCA is committed to keeping Jesus Christ at the center of all matters in which we engage spiritually, academically, and socially. A curriculum based upon an excellent academic foundation in which all subject areas are intentionally taught from a Christian worldview reinforces this commitment.

#### **Accountability**

SCA believes that a biblical standard of accountability is required of all who are involved in the educational process to achieve the highest level academically;

- Admin, teacher, parent, and student being responsible for the education of the child.
- Admin, teacher, and parent holding to a biblical standard before our children at all times.
- Admin, teacher, and parent communicating clearly and effectively to accomplish educational goals.
- Admin, teacher, parent, and student supporting all the procedures and policies of the Academy.

#### **Academic Excellence**

SCA is committed to placing before your child qualified Christian teachers and providing an optimal academic environment. Nothing less than excellence is worthy of a school representing our Lord Jesus Christ.

#### **Missions**

SCA is committed to creating opportunities for children to experience the thrill of helping others and beginning to nurture the spiritual transformation of the heart. The goal is to cause students to view the world around them with a servant mentality instead of a pop-cultural, self-serving mentality.
