Mark Zockoll, Head of School

Church, Home, and School Working Together

May 24, 2021

Dear Seaside Families,

It is with great excitement that we announce that the Board of Directors has hired Dr. Brian Mark Zockoll, Jr. as Seaside's Head of School! God has once again faithfully provided for SCA. I (Julie) have had the opportunity to meet with and speak with Mark, and his family, multiple times over the past few weeks and I am eagerly looking forward to working with him and the mighty ways God is going to bless SCA through his service. Dr. Zockoll brings with him a heart for the Lord, a passion for Christian education, a wealth of knowledge and experience, and an inspiring vision for the future of SCA!

We can't wait for all of Seaside to meet Dr. Zockoll and have planned a few opportunities in the next few weeks. This afternoon, Mark and his family will be meeting with our faculty and staff. Dr. Zockoll will visit with the students for chapel on June 2nd and parents will have a chance to meet with him as we celebrate the last day of school with our All-School Awards Ceremony on June 4th.

We praise God for His perfect faithfulness and provision for SCA. Please join us in welcoming Dr. Zockoll to the Seaside family! God is good...All the time!

In His service,

Debbie Campbell, Board President
Julie DuChene, Principal

=====

Greetings SCA Family,

My name is Mark Zockoll, and I look forward to partnering with you as the Head of School moving forward. Since 1999, God has been preparing SCA for such a time as this. Principal DuChene and the tremendous faculty and staff of SCA, along with the board and PTF, have built upon the foundation carefully laid by prior ministry

partners, invested their time and talents, and now boldly step forward down the path that the heavenly Father has so evidently cleared in this time of growth. I am no less than humbled and honored to be able to join such a team of stakeholders in this ministry so as to nurture and expand that same development.

I am a product of Christian education at the elementary, secondary, and collegiate level. I am convinced, as are my fellow laborers at SCA, that Christian education, performed correctly, is as necessary today as it ever has been. SCA must continue to firmly stand on the absolute truths of Scripture to offer to the greater Worcester community a Christian school which evidences the sort of excellence the cross of Christ demands.

With God's blessing and your support, SCA will continue to grow in its pursuit of excellence by partnering with the home and the church to raise up a generation who will look to Scriptures to guide their lives, the church to biblically support themselves and others, and the holy Trinity to offer salvation, sanctification, and clarity in their walk collectively and individually. Specifically, I look forward to seeing the West Ocean City campus of SCA develop in its facilities, the preschool, elementary, and middle school reach their full size, the secondary continue to gain momentum and develop the traditional extracurriculars to partner with an outstanding academic situation, and of course to do all of this with an eye towards balancing affordability and the true demands of operating an institution of such vision.

Thank you for trusting me. I do not take this lightly. May God's will be done. We praise Him!

Dr. Zockoll
